## GALILEO JAPAN TRUST (GJT) – REQUEST FOR TRADING HALT

Galileo Japan Funds Management Limited (GJFML), as the responsible entity of the Galileo Japan Trust (Trust), requests that the ASX grant a trading halt of the Trust's units effective immediately. It is requested that the trading halt remain in place for 2 trading days with normal trading to recommence on Thursday, 5 July 2007.

The trading halt is requested to allow for an acquisition and related capital raising. When the institutional component of the capital raising has been confirmed, GJFML will make an announcement to the market that will allow the trading halt to end.

GJFML advises that it is not aware of any reason why the requested trading halt should not be granted.

Yours faithfully
